How to Preorder:

- Reply to this email (or email service@hearthsidebooks.com) with the following information:
 1. Your first and last name (all preorders will be held under your last name)
 2. The item(s) you wish to preorder - make sure to include quantities (even if it's just one)
 3. Your preferred contact method & information: phone number or email
 4. Your preferred pickup outlet. Though we do not stock MTG at the downtown store, we are happy to send your orders there for pickup if you find that more convenient. Any unspecified orders will be held at the Mall store.

Preorder terms and information:

- All preorders are due no later than 5 weeks before the item's official release date.
- There is no maximum or minimum preorder size. We do reserve the right to request prepayment on unusually large preorders.

- When your preorder(s) arrive, you will be contacted via your preferred contact method in addition to the general email that will go out to this list when a shipment arrives.
- We will hold unpaid preorders for no longer than 2 weeks after they arrive.

Because of the realities of doing business in Alaska, our game orders arrive by barge - which means that we are often unable to get products by their published release date, but we will do our best to get your orders in as timely a manner as possible.

Special Orders:

If you would like to request items that have already been released, but we do not currently have in stock, include them in your email. We are happy to put them on the next order for you as long as the distributor has them in stock. As with preorders, we will hold special order items for up to 2 weeks after arrival.
